| SHA – State Highway Administration | | Manuel Landscaping, Inc., Baltimore, MD 21215 | | 42715G1417 Tractor and Hand Mowing of Roadsides and Medians at Various Locations for the Gaithersburg Shop in Montgomery County | |
| Description/Remarks (Include reasons for contract modifications, if applicable, and indicate if extension or renewal option) | | | | | |
| Items 1001.1, 7001.1 – 7003.1: provide for the additional mowing services, and reduction of unnecessary mowing services respectively, so the District could have mowing operations continue in Prince George’s County despite both contracts for the County having been terminated. Both mowing contracts in Prince George’s County were terminated due to poor performance but mowing was still needed thus the District Office asked the Contractor(s) from the Montgomery County mowing contract(s) to perform additional work in Prince George’s County. The Contractor also continued regular mowing operations in Montgomery County and thus the Unit Days were used twice as fast, hence the need for the change order. | | | | | |
| The overall District Budget for mowing is not affected because the Prince George’s mowing contract(s) were not fully expended. This amount is projected to be sufficient to continue mowing operations using only the Montgomery County Contract(s) until the new Prince George’s County contract(s) can be awarded. The term of this contract is 11/15/2015 – 12/31/2017. | | | | | |
